The screenshot shows an Internet Explorer window with an email message. The message subject is "Synesis licencna datoteka za Pupilla d.o.o.". The "From:" field shows "Pupilla d.o.o." <pupilla@zg.t-com.hr>. The "To:" field is redacted. There is one file attachment, "1 File (64KB)". The file icon is a document with a paperclip. The filename "Synesis.lic" is displayed below the icon. A tooltip or status bar at the bottom of the window also displays "Synesis.lic".

Nakon lijevog klika na prvitak, ispod prvitka se otvara mogućnost : "Download file" na koju treba kliknuti lijevom tipkom miša

The screenshot shows an Internet Explorer window with an email message identical to the previous one. Below the message, there is a green horizontal banner with the text "No virus threat detected File: Synesis.lic [Download File](#)".

Otvara se novi prozor u kojemu treba skliknuti na "Save" ili "Spremi" lijevom tipkom miša

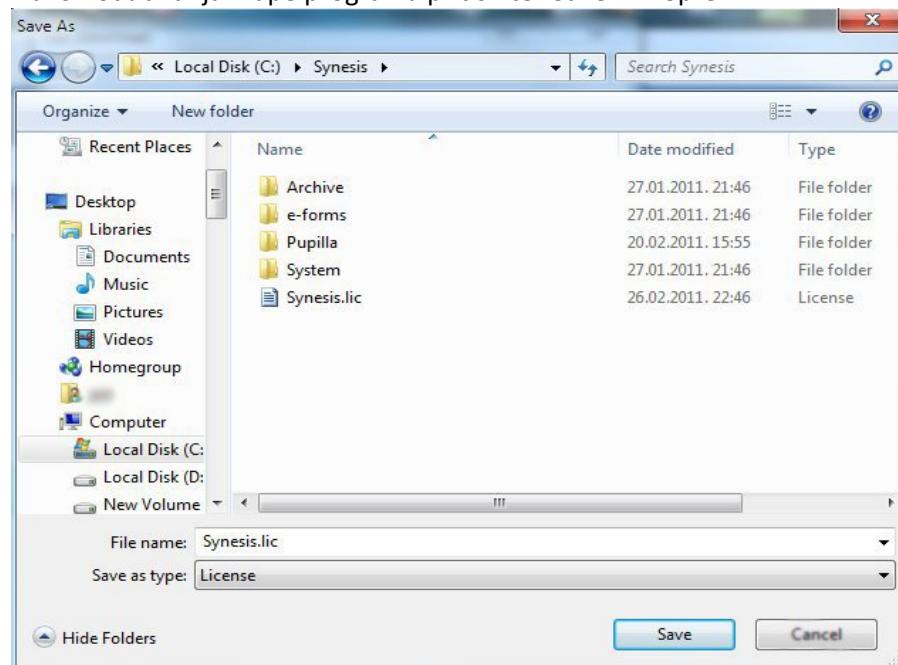

The screenshot shows a "File Download" dialog box. The title bar says "File Download". The main question is "Do you want to open or save this file?". Below it, file details are listed: Name: Synesis.lic, Type: License, 62,5KB, From: 68.142.200.12. At the bottom are three buttons: "Open", "Save" (which is highlighted in blue), and "Cancel". A note at the bottom of the dialog box reads: "While files from the Internet can be useful, some files can potentially harm your computer. If you do not trust the source, do not open or save this file. [What's the risk?](#)"

U novom prozoru možete odabrat odje želite pospremiti licencnu datoteku

Odaberite "My Computer" ili "Moje računalo", zatim otvorite disk na kojem se program Synesis nalazi, otvorite žutu mapu Synesis
(ako unutar mape Synesis nema žutih mapa sa nazivima Vaših knjiga znači da niste odabrali dobru mapu programa)

Nakon odabiranja mape programa pritisnite "Save" ili "Spremi"

Operativni sustav će Vas zatim pitati da li želite zamijeniti postojeću datoteku sa novom, odgovorite potvrđno.
